

Question #1 “How can you Catholics say the Pope is infallible? History clearly shows that there were Popes who were big-time sinners, and some who were clearly wrong about such things as the Earth being the center of the Universe! Infallible? I don’t think so! How do you answer that?”

Resources you may find helpful:

Catholic Answers Web Site: www.catholic.com

Official site of the Catholic Answers Apologetics organization – lots of great resources and interesting reading.

USCCB Web Site: www.usccb.org

U.S. Conference of Catholic Bishops web site – everything from daily reading to the Catechism to movie reviews.

New Advent Web Site: www.newadvent.org

An on-line Catholic encyclopedia.
